To find the average price: *total days times the cost of a lesson (\$30.00) divided by number of months (10)*

1. The price is based on a 30 minute time slot. Payment is due at the beginning of each month.
2. If your lesson time is missed on your account we will look to do a makeup lesson. It is your responsibility to schedule a makeup time.
3. If the lesson is not made up within the month it was missed, it may no longer be made up.
4. The last Saturday of every month will be available for a makeup lesson.
5. If the lesson is missed on account of the instructor, \$30.00 will be deducted from the next month's payment, or a makeup lesson may be arranged.
